**In our business practices and onsite activities we operate a "green conscience" initiative**

*We only purchase from main producers and therefore can offer supplies of a precise specification and an unrivalled consistency of quality.*

**Delivering Quality Products,  
On time Every time.**

**Timber stocks**

We handle circa 200,000<sup>3</sup> of quality imported timber per annum and have one of the UK's largest stock-holding facilities.

We primarily import:

**Whitewood** (Picea Abies) from Scandinavia, North America and the Baltic regions.

**Redwood** (Pinus Sylvestris) from Finland and Sweden

For a full list of our stocked timbers and to view our current market report, visit our website at: [www.don-timber.co.uk](http://www.don-timber.co.uk)

**Silktrim**

Silktrim mouldings are manufactured using Moisture Resistant MDF, and are twice primed as standard, with a minimum of two coats of a high solid content, water-based, white acrylic paint applied to the surface. This makes Silktrim mouldings of a consistent high-quality you can trust.
